Shelf Spacing

* Example images from store set POGs

- * ITP = Innovative Tobacco Products
- * OTP = Other Tobacco Products

The number **following** the category is the required shelf spacing (see left side of this page).

Both ITP and OTP shelves will require individual pushers and dividers to be assembled onto the plastic trays.

- Pusher Kit - OTP (10pk) - Item #: 20289
- Pusher Kit - Narrow(10pk) - Item #: 20279

Connector Kits

* Example images from store set POGs

The Black Bar across 2 or 3 blocks indicates locations of Connector Kit(s) to be installed.

- 2' Shelf Channel Connector Flip-Up (4pk) - Item #: 36550
- 3' Shelf Channel Connector Flip-Up (4pk) - Item #: 36555
