Impact

Industry Leading Backbar Tobacco Display

IMAGWORKS
DISPLAY

- ✓ **Ultimate Versatility** – One Foot Shelving; 1/2" Adjustability
- ✓ **Innovative Frame System** – Vertical Adjustability; 3" Increments
- ✓ **Resets Made Simple** – Reconfigure Product & Signage only – Not the Frame
- ✓ **Continuous Category Presentation** – Perfect Alignment of Product & Signage
- ✓ **Display More Product** – No Gaps or Spaces Between Sections

As category trends shift and new products come and go, the tobacco back bar must keep up.

Xulta Impact takes this into account with features designed to challenge the test of time.

This patented framework features ultimate versatility with **1 foot shelving** adjustable in **1/2 inch vertical** increments.
